ACL2020 Admin Bot @acl2020-admin-bot · 5:43 PM Room announcement changed to: Welcome to ACL2020 first-timers! Feel free to say Hi and introduce yourself here! by acl2020-admin-bot

#helpdesk: This channel will be used by all ACL2020 attendees to request tech support for the ACL2020 virtual conference. Please use the following tradition to attach a relevant tag before your question.

- [Zoom] question about Zoom usage

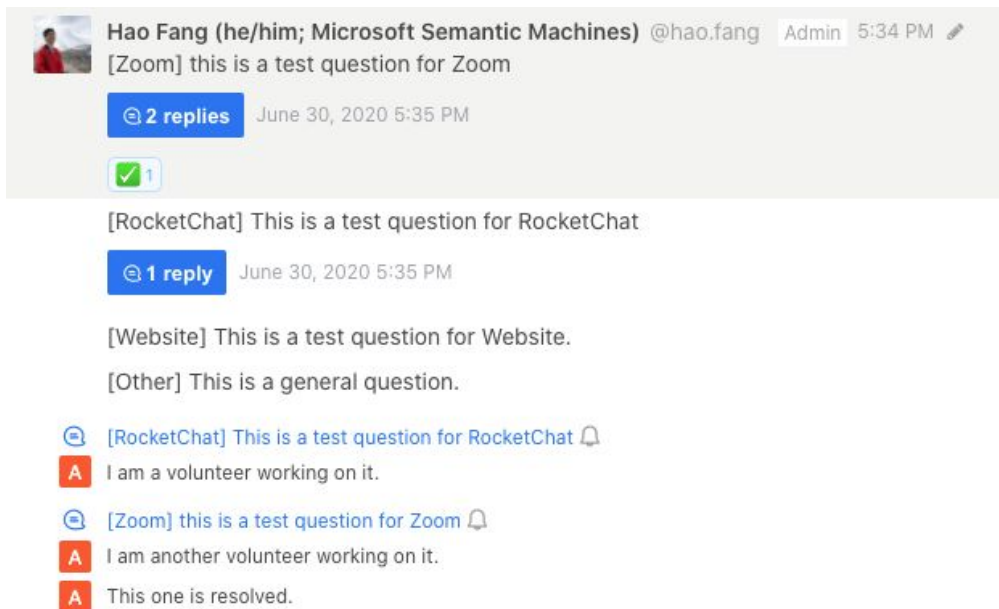

- [RocketChat] question about RocketChat usage
- [Website] question about website usage
- [Other] other questions

On-call volunteers will start a thread when responding to a question. And continue the conversation in the thread.

Once the question is resolved, they will mark it with :checkmark: emoji.

See the screenshot below for a demonstration.

#presenter-helpdesk: This channel is dedicated to authors and sponsors. It will follow the same convention as the #helpdesk channel. Questions from non-presenters should be asked in #helpdesk. If you accidentally asked the non-presenter-related question here, our volunteer will remove it and re-ask in the #helpdesk channel and @ you there.

#incidents: This channel is used to report incidents in the conference. You can request the on-call volunteer in the channel to join your Zoom meetings as a co-host to handle disruptions or delete messages in RocketChat. Simply click “Reply” button to start a **private conversation** with the on-call volunteer.
